## | ABOUT AFLAJ MAJAN TRADING

**AFLAJ MAJAN TRADING** established in 1998 as a maintenance company for Civil, Electrical, Steel Structural & air Conditioning works. AMT has grown gradually and started separate divisions for each branch of operations. To accomplish the increasing demand for HVAC, steel structure and marine engineering Since last several successful years we got opportunities to associate with some of the leading companies in Sultanate of Oman & U.A.E. We also are doing steel works for various ministries within the Sultanate of Oman.

**AMT** offers a wide range of products and services aimed at providing our customers with complete satisfaction. Our offerings encompass the supply, installation, and maintenance of all types of Air Conditioning Systems (HVAC), steel structures, Portacabins, and even extend to ship and Oil Rig repairs.

### **HVAC DIVISION:**

We provide comprehensive HVAC solutions, from system design, installation, and maintenance to equipment supply. Our dedicated team focuses on energy efficiency and quality, ensuring your comfort, savings, and sustainability.

### **STEEL STRUCTURE:**

Exclusively for steel fabrication, Manufacturing & Supply works of Porta Cabins.

### **MAJAN MARINE ENGINEERING:**

Concentrating in Design, Supply & Construction of Marine Living Quarters and Accommodation works.

We never compromise in quality of work and finishing of fittings, that is our advantage. We are assuring our best service to our valued customers.

## | OUR VISION AND MISSION
